

Compassion “Cleaning” Fund

The purpose of the Compassion Fund at Scott Community Foundation is to help people with a severe financial need. This fund has sent money to people to help pay for medical expenses, a handicap vehicle, and has provided financial assistance to flood victims. It has also helped elderly persons on fixed income install a new HVAC unit, construct a wheel chair ramp, and pay property taxes.

The Compassion Fund is now partnering with Fast Lane Cleaning in Scott City to provide a one-time house deep cleaning for the elderly, disabled, cancer patients, and single parent households. The nominations and approval process will be handled by Fast Lane Cleaning.

The Compassion Fund at Scott Community Foundation and Fast Lane Cleaning are dedicated to providing a one-time deep cleaning to people meeting one of the following conditions:

- People experiencing a major health issue (ie. cancer)
- Social Security Disabled
- Elderly on a fixed income
- Single Parent Custodial Household

This cleaning service is currently available in Scott County, Lane County and Wichita County.

Please complete and submit the application below. For more information, contact Fast Lane Cleaning at (620) 214-4532 for all calls and text messaging, or email at fastlanecleaninginc@gmail.com.

The Compassion Cleaning service is based around available funding. To donate, contact Scott Community Foundation at (620) 872-3790 or visit www.scottcf.org.
